

PATENT APPLICATION
F-736

DECLARATION

As below named inventor, I

Guy Debras

hereby declare that:

My residence, post office address and citizenship are as stated below next to my name;

I believe I am the original, first and sole inventor of the subject matter which is described and claimed and for which a patent is sought on the invention, design or discovery entitled "Production of Polyethylene", the specification of which was filed as U.S. Application Serial No. 09/484,481 on January 18, 2000;

I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above;

I do not know and do not believe that said invention, design or discovery was ever known or used in the United States of America before my invention or discovery thereof, or patented or described in any printed publication in any country before my invention or discovery thereof, or more than one year prior to this application, or in public use or on sale in the United States of America more than one year prior to this application; that said invention, design or discovery has not been patented or made the subject of an inventor's certificate issued prior to the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns;

I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application in accordance with 37 C.F.R. Section 1.56(a).

I hereby claim foreign priority benefits under 35 U.S.C. Section 119 of the foreign application for patent or inventor's certificate or of any PCT international application designating at least one country other than the United States of America listed below and have also identified below a foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:
